

Join the Ecology Action Centre Board!

The Ecology Action Centre (EAC) is looking for board members. Board members keep the institutional lights on at the EAC and help shape the direction of the organization.

The EAC has a 50+-year history of protecting Nova Scotia's lands, waters, climate, and communities. The EAC's spirit matches its home province – scrappy, creative, and always punching above its weight. Come join the board and help us set a sustainable path for the next 50 years. You can make a difference along with our kind, caring and compassionate team.

What are we looking for?

We are looking for 1-3 new board members. We want all kinds of experience, and we appreciate that everyone brings something unique to the table. No one has every type of experience all at once, but here are some qualities that we would consider assets:

- An approach that is:
 - collaborative,
 - caring,
 - creative, and,
 - innovative
- An interest in the environment and community resilience
- A system-level approach (addressing systemic issues with systemic thinking)
- An interest and expertise in institutional strategic thinking
- Familiarity with the Ecology Action Centre and an interest in its future
- Prior board experience
- Senior leadership experience (organizational and community experience)
- Experience with:
 - Board governance,
 - Financial management,
 - Facilitation, and
 - Conflict resolution

The EAC is committed to diversity in every way. We want to look like Nova Scotia and the communities we care about. Despite the progress we are making on board diversity, our board remains less diverse than Nova Scotia as a whole. We want to change that while establishing effective long-lasting relationships with communities that we could serve better. We encourage applications from the African Nova Scotian community, and Indigenous people. We encourage all applicants to highlight their diverse life experience and how it could contribute to the EAC's work at the board.

Position: **Board Member at Large**

Time commitment: Approximately 30 hours per year. Four board meetings per year plus key events such as the Annual General Meeting and organization-wide retreat and participation on a board or operational committee.

Term length: Three years with the option of a second term (Flexible)

Start date: September 2023

How to apply:

If you have any questions or would like to chat about your suitability, email rebecca.butler@ecologyaction.ca and we will get back to you as soon as possible.

To express your interest, send a resume and brief letter expressing why you're interested to rebecca.butler@ecologyaction.ca. The Nominations Committee will review applications, interview candidates and present a recommendation to the board. Final approval of the successful candidate will be at the Annual General Meeting in September 2023.

Deadline: **12 June 2023.**

About Us:

The Ecology Action Centre (EAC) is an environmental charity based in Mi'kma'ki/Nova Scotia. In 2021 the Ecology Action Centre celebrated 50 years of taking action on critical issues from biodiversity protection to climate change to environmental justice.

The Ecology Action Centre is committed to equity and encourages applications from individuals in traditionally marginalized groups such as, but not limited to: African Nova Scotian and other racialized people, Indigenous people, lesbian, bisexual, gay, transgender and queer people, and persons with disabilities. We encourage applicants to self-identify in their cover letter or application if they are a member of a marginalized community.
