

Job Posting- Membership Acquisition, Door to Door Canvasser (4-8 positions)

VALUING LIVED EXPERIENCES

EAC's vision is of a just and vibrant world of respect, belonging and ecological resilience. As a team we are working to decolonize, further equity and dismantle the harmful systems at the root of the interconnected crises of environment and justice that we tackle every day. We strive to bring an equity lens to all that we do including by building a strong and diverse team.

We encourage applications from individuals from equity-deserving groups including, but not limited to: African Nova Scotian and other racialized people, Mi'kmaq and other Indigenous people, lesbian, bisexual, gay, transgender and queer people, and persons with disabilities. If you are a member of an equity-deserving group, and feel comfortable doing so, we encourage you to self-identify in your cover letter or application. We prioritize diversity in our selection process.

ABOUT US

The Ecology Action Centre (EAC) is a fierce and creative environmental charity based in Mi'kma'ki/Nova Scotia. Since 1971, we have proudly tackled critical environmental issues from biodiversity protection to climate change to environmental justice. Grounded in community, we act as a watchdog, convenor, mobilizer and incubator, taking a holistic approach to the environment and the creation of a just and vibrant world.

We strive to promote a diverse and inclusive organizational culture that emphasizes collaboration, caring, quality work, and real impact. We value our members, volunteers, employees, and partners and strive to create a space of respect, belonging and resilience.

We have a team of passionate and determined people who share ideas and inspire others to create systemic change in the face of urgent, complex environmental issues.

ABOUT YOU

Your enthusiasm and strong communications skills enable you to quickly build rapport with people and create genuine connections, grasping what's important to potential donors in order to successfully communicate the benefit of monthly membership. Your resiliency and ability to bounce back when things don't go as planned will ensure your success in this role. You have an interest in the charitable sector, learning about environmental conservation and climate change issues and want to work at a local organization, rooted in community, while educating and encouraging people to help build a healthier and more sustainable world.
